ORDER:-

The Commissioner of Horticulture, Andhra Pradesh, Hyderabad, in his letter 3rd read above, has stated that the Committee constituted under the Chairmanship of Sri K.L.Chadda, former Horticulture Commissioner, Government of India, identified 8.11 lakh ha. as potential area for oil palm cultivation in 11 states in India. Among the 11 states Andhra Pradesh was identified with the highest potential area of 4.10 lakh ha. covering 11 districts. The Commissioner of Horticulture, Andhra Pradesh, Hyderabad has further stated that, in the State 296 mandals were identified in 10 districts and 227 Mandals had been allotted to 12 Oil palm companies/processors as a factory zone in 8 districts for development of oil palm. It is further stated, that the Committee identified 48 new mandals in Six districts in addition to the 5 mandals identified in Anathapur District for allotment of factory zone. The Commissioner of Horticulture has further stated that the Government of India has informed in letter dated 5.9.2006 that they have no objection for allotment of new areas, which have been found to be suitable for oil palm cultivation by NRC(OP) and the 48 newly identified mandals in 7 districts are available for allotment. Further Government of India, in their letter dt. 14.7.2008, has recommended 5 new mandals of Anathapur District which are having potential for oil palm cultivation and conveyed no objection for taking up oil palm cultivation in these mandals under ISOPOM.

2. Therefore, Commissioner of Horticulture, requested to accord permission to issue notification in the news papers inviting applications for establishment of new oil palm processing units for allotment of newly identified mandals in 8 districts in view of the decision taken in the 16th Project Management Committee Meeting.

Contd..2

3. Government have carefully examined the matter and accord permission to the Commissioner of Horticulture, Andhra Pradesh, Hyderabad to issue notification in the news papers inviting applications for establishment of new oil palm processing units for allotment of newly identified mandals in the 8 districts annexured to this order, as per provision 11(1) of the Andhra Pradesh Oil Palm (Regulation of Production and Processing) Act, 1993.

4. The Screening Committee, constituted with the following members, will scrutinize the applications for allotment of Mandals among the applicants and furnish necessary proposals to Government to allot new Mandals to the Processors/companies:-
